

## IVERMECTIN IS MIRACULOUS: IT IS AVAILABLE IN TENNESSEE

**IVERMECTIN is truly miraculous.** This is why “BIG PHARMA” spent millions of dollars trying to label it as “Horse Paste.” After using it for 9 months, as a **Prophylactic** and to **treat “JAB” illnesses/symptoms**, I discovered my prostate cancer was Cured! After 3 years of daily use, I could write a book on how it has helped me through my “Post Jab” years - illnesses/symptoms/events.

**TENNESSEE is the only state in the country that allows it to be purchased without a prescription - it is TN STATE LAW.** (You just fill out an online form and the Pharmacist dispenses it.) However, it is only dispensed at “Compounding” Pharmacies. The large, corporate, chain pharmacies, are still not allowing the tablet form it to be sold. Although to some degree this is moot; to my knowledge, physicians are still refusing to prescribe it!

Thanks to the **Tennessee Freedom Doctors** website, there is now a list of the 31 Independent, “Compounding” Pharmacies in TN, that sell IVERMECTIN directly to the public. The link is below, but the complete list is in this document.

Additionally, I **highly encourage to save their homepage internet address.** They will help you find doctors that are more concerned about their patients - than bonuses, more concerned about doing what is right – rather than bow down before hospital administrators, the pharmaceutical industry, etc. And they will help you with Resources!

If you need further clarity or help, in the immortal words of DOC HOLIDAY, as he referred to acquiring IVERMECTIN: **“I’M YOUR HUCKLEBERRY.”**
